

Cluster Migration Solution

for a Leading Pharmaceutical Company

CASE STUDY

Seamless Migration

Our solution ensured smooth migration of the Cluster with less than two hours of downtime for critical applications.

The Challenge

The customer hosted critical databases on Cluster Environment and wanted to migrate Cluster from one domain to another.

The customer could not afford downtime of more than three hours.

The Solution

Clover Infotech ensured smooth migration of the Cluster from one domain to another.

The team completed the migration within two hours of downtime. The endeavour was appreciated by our partner (Microsoft) who provided the solution.
